REDHEADS

A full-page photograph of a woman with long blonde hair lying on her back. She is wearing a black fishnet bodysuit with a scalloped neckline and matching fishnet gloves. She is positioned on a dark, possibly black, fabric that is draped and folded around her. Her right hand is resting on her hip, and her left hand is near her face. She is looking directly at the camera with a slight smile. The lighting is dramatic, highlighting the texture of the fishnet and the contours of her body.

BLONDES

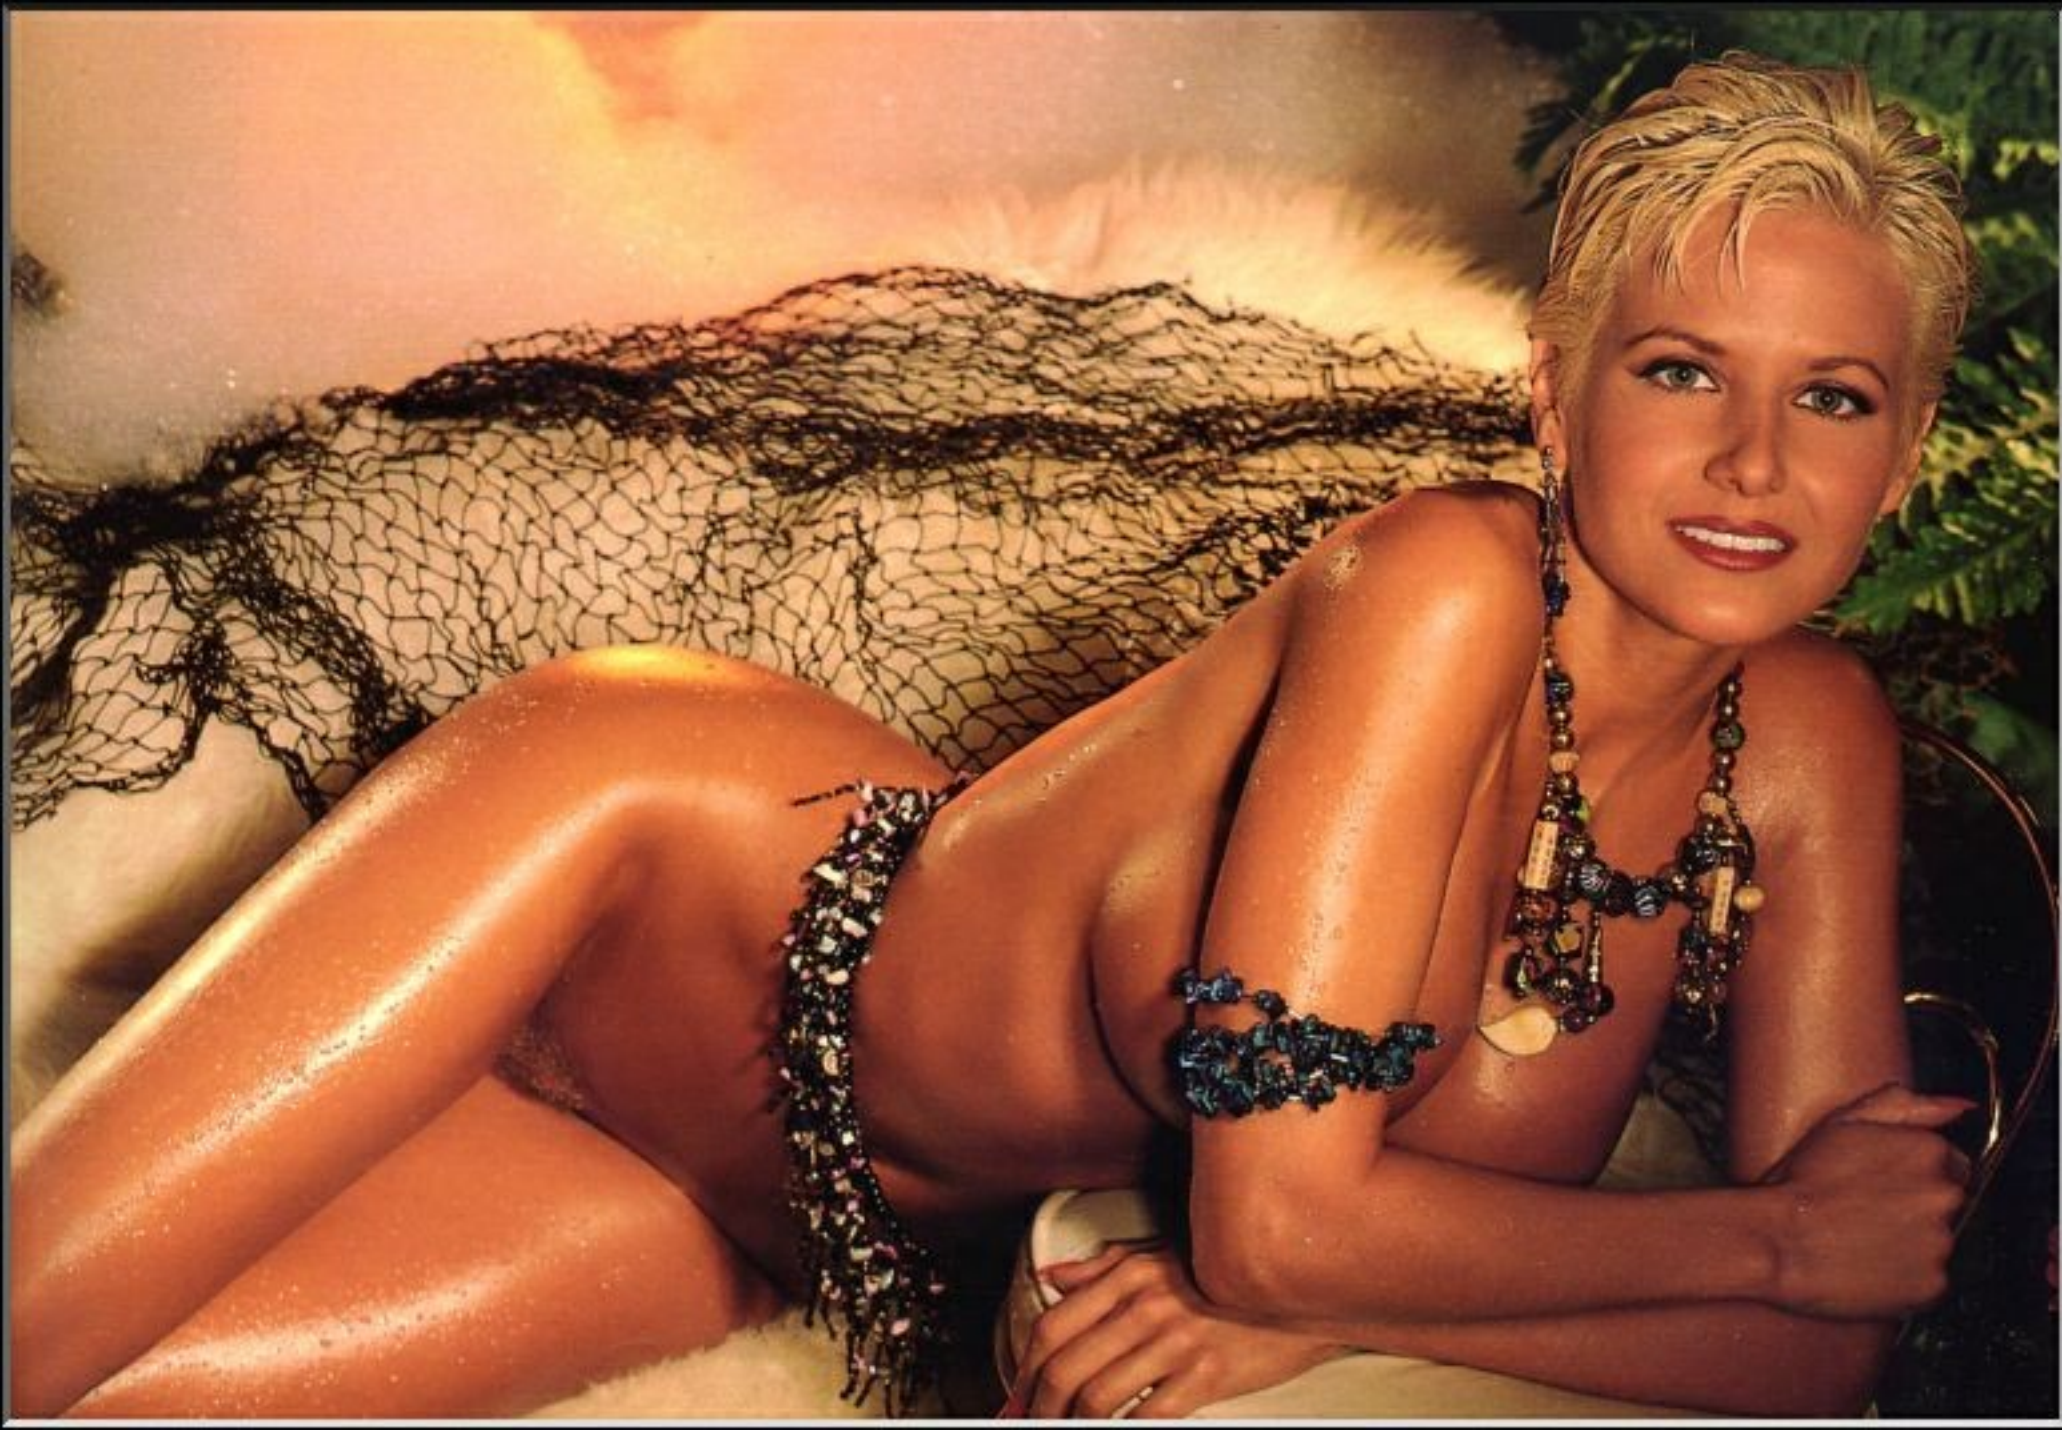

BRUNETTES

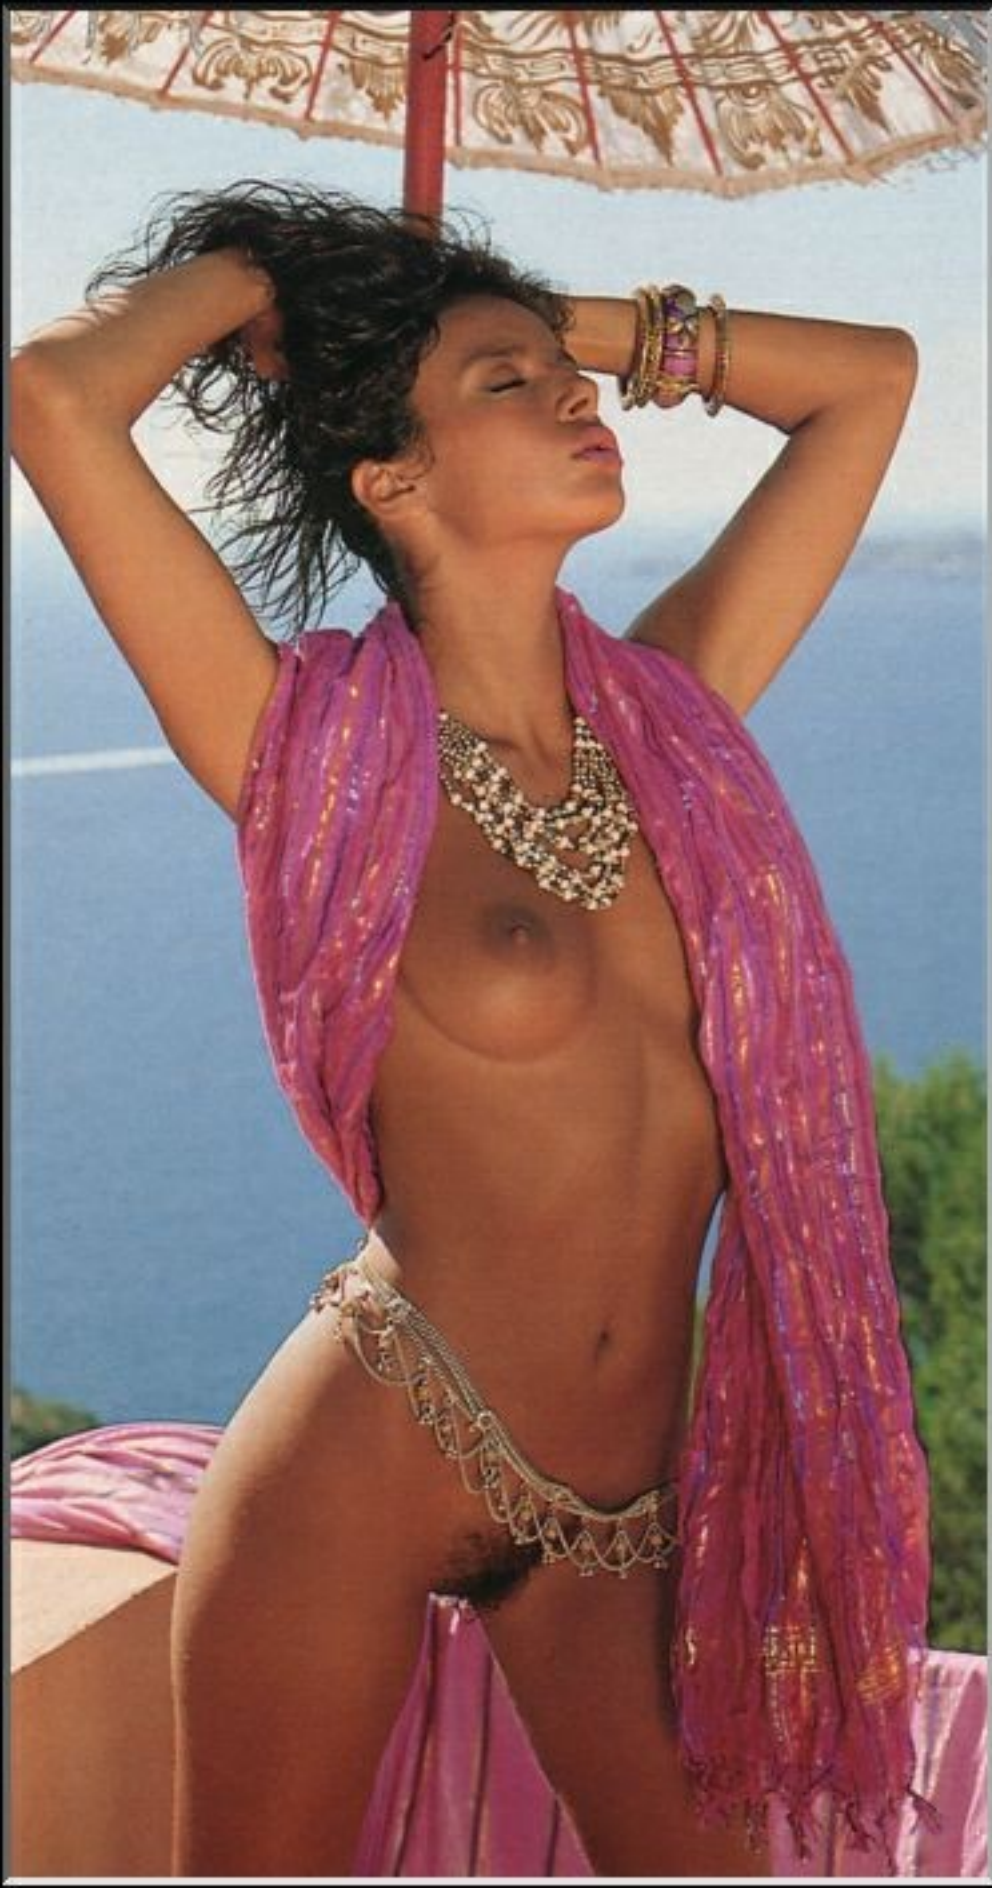

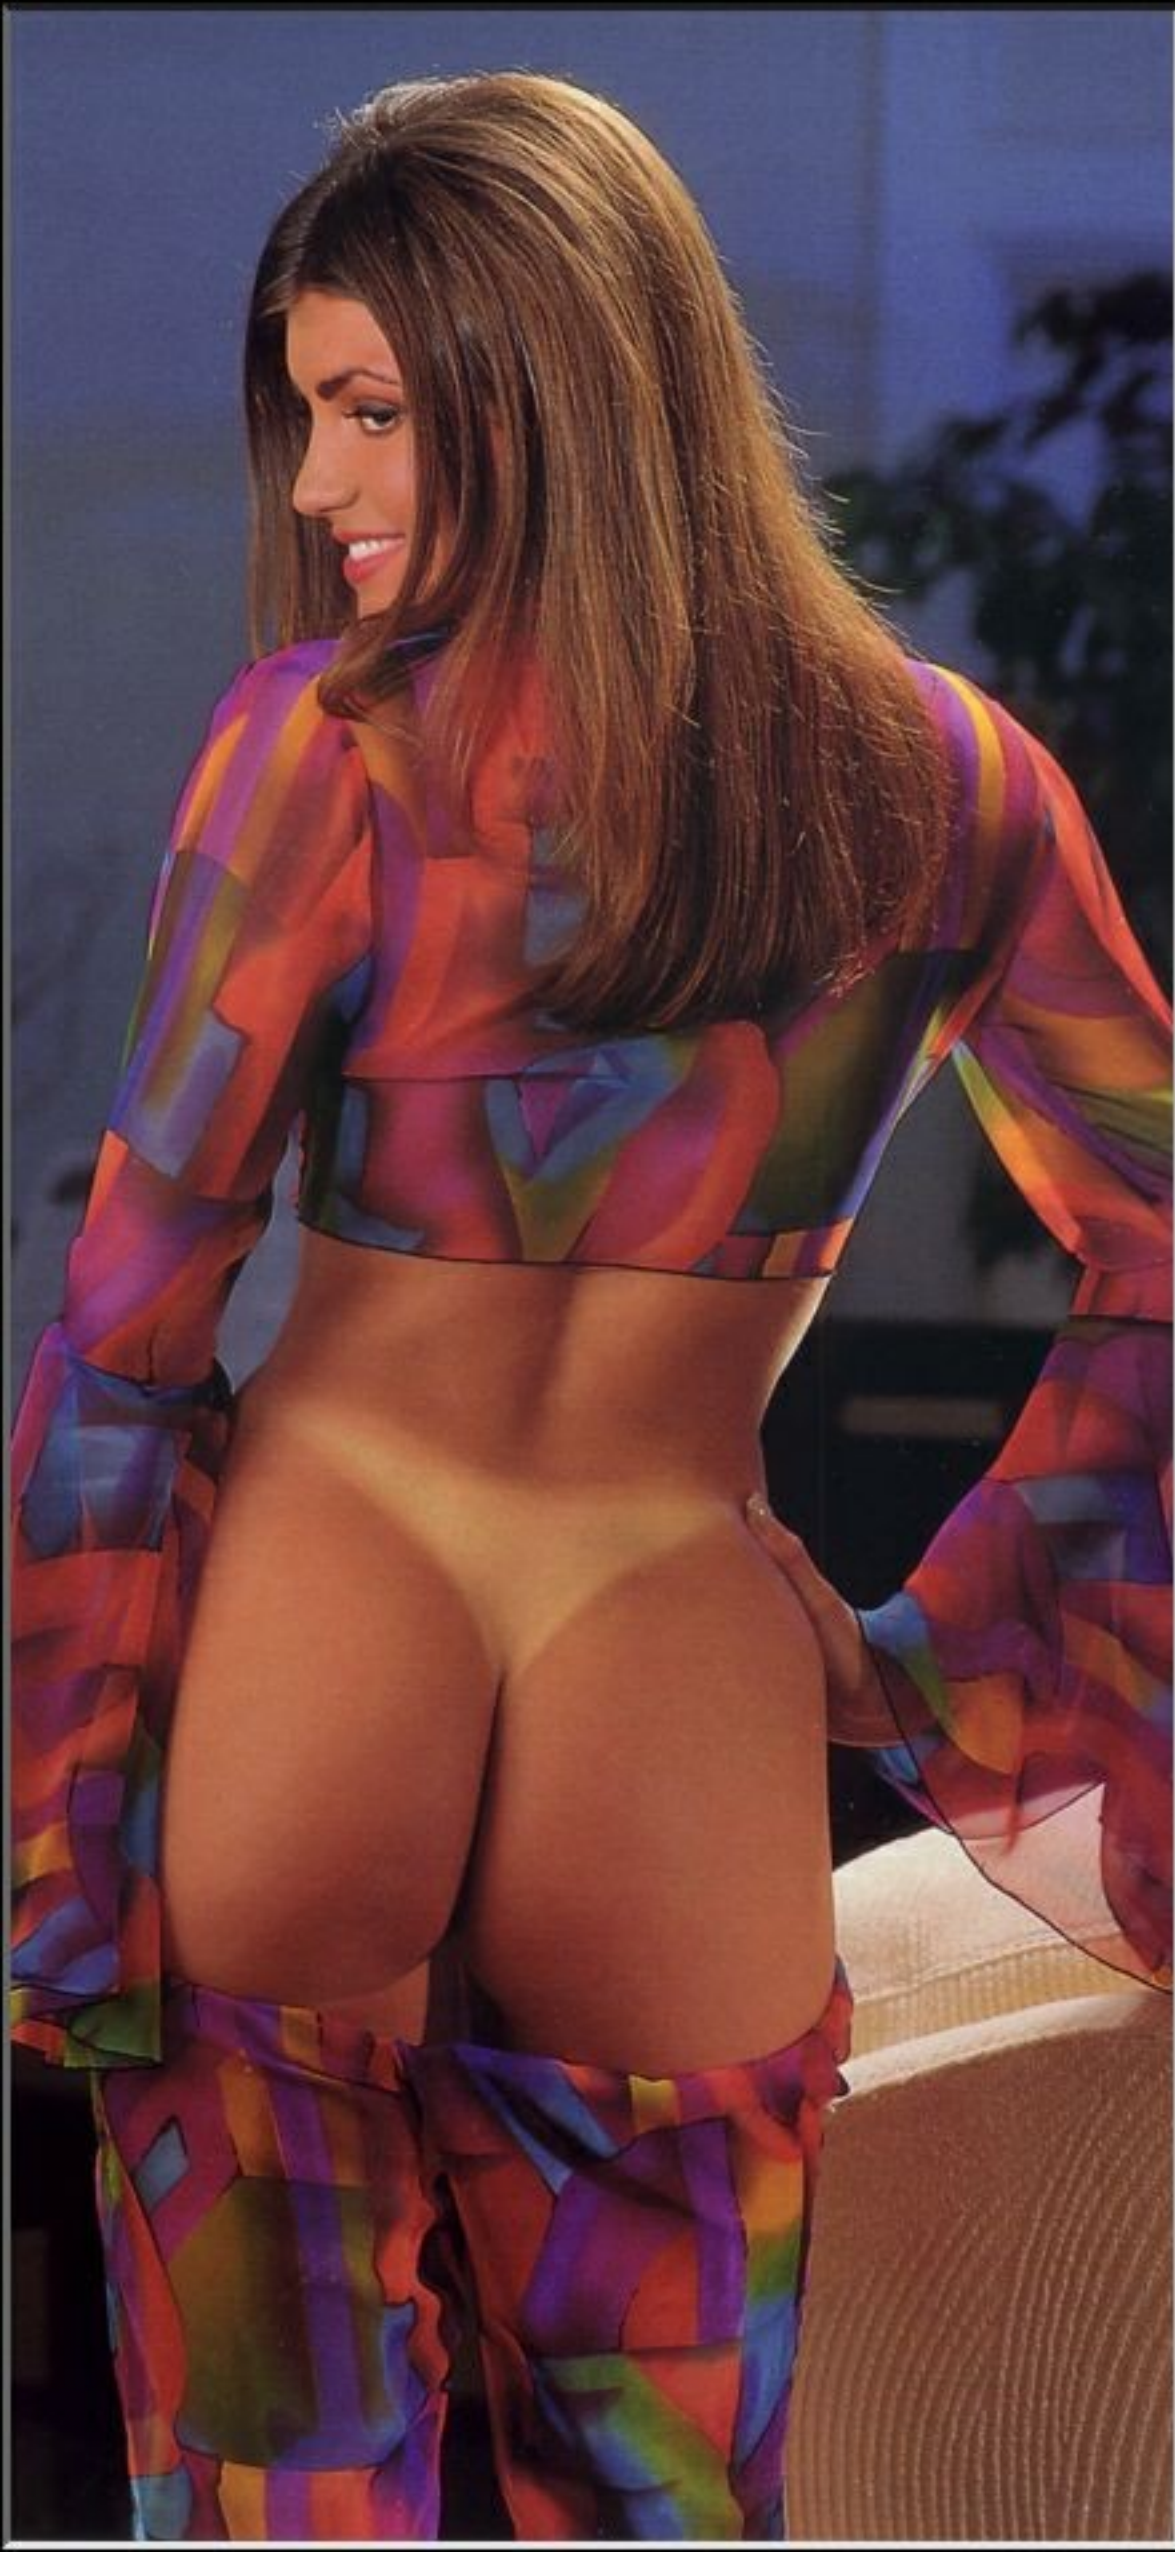

Here's the long and short of Christina LaRocca before (left) and after (right). She let off about three feet of hair following her Thomson appointment.

The thing about wigs is that curiosity can be satisfied instantly. La Toya Jackson, marvelous as a blonde (above), looks like she may be having fun. But the character change was only for the photographer. Eventually, she doffed the hairpiece and became her natural sultry self (right).
